a fortnightly bulletin on financial and political trends

money the thought of it can be overwhelming and the pursuit of it can be addicting our society constantly promises us that money will provide what we want success comfort peace and happiness leading our fickle hearts to trust money for things it was never intended to give us even if we think we know what the bible says about money there seems to be a gap between our theology and our everyday money struggles in this practical and hopeful book best selling author paul david tripp shows us how to view and interact with money in a god honoring way through chapters that expose the depths of our heart struggles and our need for grace this book offers a roadmap to find peace generosity and joy in the world that god created

this book brings to life for the first time the remarkable story of james taylor father of the ceylon tea enterprise in the nineteenth century publicly celebrated in sri lanka for his efforts in transforming the country s economy and shaping the world s drinking habits taylor died in disgrace and remains unknown to the present day in his native scotland using a unique archive of taylor s letters written over a forty year period angela mccarthy and tom devine provide an unusually detailed reconstruction of a british planter s life in asia at the high noon of empire as well as charting the development of ceylon s key commodities in the nineteenth century the book examines the dark side of planting life including violence and conflict oppression and despair a range of other fascinating themes are evocatively examined including graphic depictions of the indian mutiny race and ethnicity migration environmental transformation cross cultural contact and emotional ties to home

the goal of a high quality cost effective and accessible health care for patients is achieved through constructing a team based and patient centered health care delivery system the expanded role of pharmacists uplifts them to patient care from dispensing and manufacturing or marketing of drugs along with doctors and allied health professionals pharmacists are increasingly recognized as an integral part of the patient care team furthermore colleges of pharmacy need to revise and up date their curricula to accommodate the progressively increasing development in the pharmaceutical education and the evolving new roles of practicing pharmacists in patient care settings this book focuses on the expanded role of the pharmacists in total patient care including prescribing dispensing compounding administering and monitoring of drugs at home hospital community hospice critical care changeover and other care settings the sector is emerging in both developed and under developed countries overburdened by patient loads and the explosion of new drugs physicians turned to pharmacists more and more for drug information especially within institutional settings and today s patient care pharmacists are taking more interests in medication review and reconciliation patient education and counseling creating drug therapy regimen and monitoring compliance the purpose of this book is to guide the pharmacists in their daily interactions with patients and to ensure collaboration with other health professionals the contents are mostly based on recently published articles related to patient care with most recent ideas and activities followed by the patient care pharmacists around the globe however a pharmacist implements the care plan in

collaboration with other health care professionals and the patient or caregiver along with professional guidelines the book discusses the concepts and best practices of patient interaction patient rights and ethical decision making for the professional pharmacist apprentice and student in every chapter the role of pharmacists in that chapter specific issues are detailed explicitly so that a professional pharmacist or a student can figure out his or her do s and don ts in that specific situation moreover further reading references are listed as future recommendations so the book is an archive of potential references too among so many books about patient care either doctors or nurses roles are highlighted the proposed book highlights the pharmacists roles and responsibilities to the most separated from those of doctors and nurses with the most recent information obtained from most publications in several journals books bulletins newsletter magazines etc

i wanted to ask for a divorce instead of the fight i expected she agreed with a few stipulations all of which revolved around our son leaving for college in the fall keeping those promises would be a challenge no doubt but all i had to do was uphold my end of the deal then walk away without a backward glance somewhere along the way our charade became my reality with each day that passes i realize time is once again my enemy i can t lose her a second time i ll never walk away she healed my soul saving grace is now my only hope
